A SPECTACULAR MESS

Dear *FOX*: Let me tell you a little story: there I was, trying to recover from a difficult week when I cracked open my freshly-purchased issue of *FOX*. I had also just cracked a cold one and I was all comfortable on my couch and then WHAM! I saw my dream girl. Princess? Only it was spelled weirder with some z's in there. Prinzess. Stupid name aside, this babe is smoking! She is my type of woman! I am completely and thoroughly smitten! More that smitten! What's the next step up from smitten? Obsessed? Then I am obsessed with this smoking hot babe! The way the sun glinted off her oiled up smoking hot bod in those

photos oh my GOD! I had to undo my fly and pull out my member and satisfy myself right then and there. Thank god I didn't take a peek inside my *FOX* on the bus ride home! That would have been a spectacular mess.—*Roger in OR via email*

BUSTS HIS NUT

Dear *FOX*: You know who really does it for me? Tricia Oaks, that's who. That body, those tats she is my dream bitch fo' sho. I would love to motorboat those fake titties of hers. They look so big and round and perfect. I wanna see them drenched in my spunk. And while we're at it, I'd love to see that sassy face of hers drenched in my spunk

TRICIA OAKS

27765

too. I wanna fuck her from behind so I can look down and admire all the pretty ink on her back. She's got some nice work on her.—*Randy in VA via email*

NO LIE

Dear *FOX Magazine*: I have this personal issue having to do with my penis. You see, I can get a boner pretty much whenever but I can't cum but once or twice a week. I guess it's old age or some such rot. But that's where *FOX* comes in. I can leaf through it, stroke it, cum and then put it away for later when I can muster up some more semen. In other words, I can have my pleasure on my schedule, I'm not dependent

on someone else with their own crazy ideas and agendas. Thanks, *FOX Magazine*! You have really made my life so much better. This is not a lie.—*Jack in NY*

BUD NIPPER

Dear *FOX*: I fucking love your magazine, man. I love it so much I got a P.O. box to have my subscription sent to so I don't have to listen to my girlfriend give me shit. I have all of my porno DVDs sent to the P.O. box too, this way all potential hassles are eliminated before they can even begin. That's the way I roll—nip it in the bud. She doesn't seem to object to any of the dildos I ordered from the internet, though. Funny how that works. As long as it's got something in it for her she's good. She doesn't understand that when I look at *FOX* I get all randy and then

I come and fuck her better, but women are funny like that. I don't mind. It's nice to have a few secrets.—*LennyG78 via email*

SUPER PORNO LUBE?

Dear *FOX*: I'm guessing that most of the actors in boy/girl porno shoots use lube. I mean, these porno girls are always horny no doubt but even the hottest to trot girl in the world can't stay wet all the time, can she? What I want to know is, what kind of lube do they use? My bet is that it's a special kind that regular non porno folks don't know about. Like some kind of super lube. And I want some! I want to try it out! I want to slather my hands in it and go to town. I want to wank until I'm breathless! Well, I do that already but I think it would be a better experience

with super porno lube. Can you help me out, *FOX*? You print those on the porno set stories all the time. Maybe your photographer could just snap a quickie pic of the lube bottle for me?—*Vic in NE*

TAKES ALL KINDS

Dear *FOX*: I am writing in to say that I really really dig those Q&As you do with the talent. I think I'm unusual in that I actually like learning a little bit about adult performers as people, and it can be challenging to find information about them—especially the newer ones—online. So thanks for going out of your way to do those mini interviews. Some of the women are actually quite intelligent. Which is a refreshing discovery, to say the least. Some are just dumb hos but that's OK too. It takes all kinds.—*Dougie in KY* 🐱

AMY BROOKE

Hard humping harlot Amy Brooke is insatiable. She's officially obsessed with doing it, and is willing to stop, drop and dick herself dizzy at the drop of a hat. But this here vage-pleasing gonzo princess goes about getting off in a way that is a bit more intense than the average female seeking to scratch that itch. Where another girl might be satisfied with a single sex toy, Amy has to have three. Truth is, Ms. Brooke digs anal—in fact, being buggered is basically what she's all about. And so she hand-packs her pooper with not one but TWO battery operated fucksticks. Butt that's not all...her pussy, achingly empty, gets pumped with a plastic pecker all its own. And then it's ready, set, HO! She's off and cumming. The trio of toys leaves Amy feeling thrice as nice, and she enjoys a long-lasting climax that sends squishy spasms through her snatch in eyelid fluttering waves. 🐱

SLUT AND PUPPET
RAYLENE, MARCUS LONDON

ARTICLE & PHOTOS BY JEFF HUBRIS

Raylene. From the beginning she has always been very easy on the eyes and the possessor of, as the great Welsh pornographer Richard Burton would say, "a wonderful bosom." That stunning rack has launched a bazillion ships of breast worship fantasmagoria since she started doing porno in the late 90s. There are plenty of augmented freak show tits to choose from, in and out of smut realm, but Raylene's funbags cannot be included in the phony, balloon boob world that continues to push the limits of the bizarre. Raylene is old school in all the best ways.

She jumped into porno right out of high school. Before that there were jobs at local clothing stores and, of course, a brief job as a stripper. Happenstance put her in touch with a cadre of partiers who would end up being luminaries in what would come to be known as "gonzo."

"I got into porn because I knew a lot of pornstars I met out at Lake Havasu vacationing," she says. "Like Shane, the girl from back in the day and Yvonne her side kick and Mark Davis. I knew them for a long time and when I turned eighteen I decided it was the right thing to do."

She did her first scene with Davis in *Shane's World 4* (there have been quite a lot since then, count 'em) and eventually landed a Vivid contract. She received 1999's XRCO Award for Starlet of the Year in addition to the AVN in 2000 for Best Actress and was eventually inducted into AVN's Hall of Fame in 2008. Then, at the advanced age of twenty-four, Raylene went domestic.

"I retired for a guy," she says. "I'd actually made a game plan to retire by the time I was twenty-seven and I was twenty-four and I figured I'd met the guy I wanted to marry and I wanted him to take me seriously, so we got out of porn. I got into real estate, we got married and divorced and there you go."

RAYLENE: Real Estate went well for me. I rode the wave, sold tons of multi-million dollar properties. We all know what happened. It crashed. Instead of putting the money back into real estate I decided to try my hand at adult again. My thinking was I made a lot of life changes and I figured I could handle it and it has worked out pretty well.

Today she'll be banging British gent Marcus London in a scene directed by Jim Powers for his Powersville line. Perhaps the most efficient porn plot formulation machine in the history of moving pictures, he has already concocted the set-up, which he explains while Raylene poses for pretty girl stills.

"Raylene plays a real estate agent and she's showing a potential client a house," he says. "So to close the deal she gets into her corset and pulls out her titties and throws her them in his face and says, 'What can I do to close this deal?' Then he bangs her. That's basically it. It's not too complicated. I shoot for a company in Germany and they want something with big tits and corsets," he adds sardonically. "Basically it's just a big titty thing for me. In Germany I can get money for them. I used to be shooting a lot more insane stuff for Powersville but now Europe wants the mellow stuff, the very couples friendly shit."

Powers's penchant for the most extremist porno possible has begun to collide with those more interested in polite "production values" smut. Again, he ends up the out of control punker ejected from the fern bar.

"It's ridiculous because DVD Empire threw me off with the stuff with JM and I sent them a letter and I'm like, WHAT ARE YOU TALKING ABOUT?" he says loudly. "Have you ever seen any of these movies? They said it wasn't couples friendly and was too over the edge!"

Powers tolerates his periodic role as a PG-rated porno director but it's all just a transparent ruse. "I should show you the cover for my new comp cover," he says mightily, "It's called *SPERM FACE!*"

Raylene and Marcus London are both tricked out in business attire for the setup. Powers shoots the preliminary real estate meeting on the sunny porn house driveway. Of course, one thing leads to another and they end up on the pool deck with Raylene in a pink and black corset, stockings and high heels. When Powers gets all of the necessary dialogue shot he takes a break before the sex.

Let's take this excellent opportunity to investigate the core leanings of Raylene's sexual disposition. I have come to the conclusion that the glory of Raylene is best appreciated in person because: 1. She is super nice. 2. She has a face that will let her get her way, and 3. She has a vagina that knows how to party. Raylene has a great relationship with her pussy. You can feel the love and understanding.

"To get off I just have to ride the cock," she says simply. "I have to ride, close my eyes and think about it. To get off when I masturbate I'll just do a quick vibrator run and use whatever one I have lying around. I have a pocket rocket that I've had for ten years. My old trusty pocket rocket that I'll never throw away. The quick run is thirty seconds to a minute and I'm done. I take a little nap and get on with my day. I have so much sex these days though I don't think I'll need to masturbate ever."

RAYLENE: Coming back has been different. I'm older now, I'm thirty-three and I still consider that young but the rest of the world doesn't. Eighteen to twenty-three is young, twenty-four and over you're screwed. It is an interesting experience being in the MILF category. And the industry has dwindled quite a bit because of all the internet stuff that's going on and all the pirating. Because of that shooting is rather scarce and I take what decent job comes my way. I don't expect to have the career I once had. I do a bunch of webcam on my website, raylenelive.com. Working on the website is fun.

I've been working with a lot of great talent and had some really good scenes in the past few months. It took me a while to get into the swing of things to be truthful. Now I'm enjoying it because I know the talent and I'm starting to become more comfortable with them and it's not some new guy every day. Not that that is bad because sometimes that can be fun too, but in my old age I'm pretty set in my ways and these youngster guys are coming along and I'm not used to it.

I've never been one to have sex with young guys. Never, ever. Not even when I was the age they are now. This is a new thing for me, and it's kind of perverted. I had the older guy thing but now I'm starting to enjoy the younger guy thing. There are some really good younger guys out there. I'm technically a cougar. That scares me.

RAYLENE: I'm Mexican, Italian, Austrian and Polish. Everyone mixes me up with Israeli or Mexican. I'm Jewish but I'm not Israeli Jew. I am practicing Jewish even though I haven't been to temple for a while because my son takes up a lot of time. But I was raised like that.

Cleanliness really gets me off. If the guy is very clean I'll get off easier than if he is not very clean. I'm serious, Rocco Reed is impeccably clean and very showered and fresh everywhere and that is a turn on.

I cum more on camera now than I ever did. The early career, I think I only came once on camera with Erik Everhard. This run I've cum like five times on camera, that is pretty good for me. Maybe it's age and me being able to relax more. I have to go with the flow.

My husband doesn't care that I do porn as long as I let him bang some chicks every now and then. I'll bring some girls home or we'll go out on a little swinger date every once in a while. We don't do it all the time, but it's fun. I have to share with him because it's not fair. He could go out and find his own girls if he wanted to, but he's not that kind of guy so he doesn't. If he did I would let him but I would definitely have to approve. He's in love.

RAYLENE: I work three or four times a month but I do webcam at home with my husband and the live chat thing. We have sex every day on the couch and then we'll take it into the bedroom so I can cum and we'll do a final pop shot for everyone and I'll gather everyone into the chat room and tell everyone I'm ready for a pop shot. He does some amateur stuff but doesn't work all the time. We pretty much make our living off the webcam. It's going great. It's a very lucrative business. The website is always exclusive content because my fans want to see certain things and I have to rely on everybody else to shoot that for me and for that to happen is really hard. I like being able to get ready and go to my couch to work with my husband. He is my favorite person to have sex with, period. I could never have said that about any other boyfriend or my ex-husband. The kid goes to school so I'm on school schedule. I'm a mother in the morning, I'm a whore in the afternoon and then I'm done in time to pick him up at three-thirty. Then I make dinner and go to yoga. My child is four and is too young to have any idea of what goes on. I'm shooting some really cool stuff and considering doing a gangbang for my website. Considering it. Just for my website. My husband would have to approve the guys. I only do two anal scenes a year and that is for sales because I want them to sell really big and I want them to be memorable scenes. So I only do anal there. I'm live on the site three to five days a week, four hours a day.

Powers starts shooting and like every important real estate deal, it all begins with a blow job. There needs to be an inordinate amount of breast worship so he shoots Marcus London burying his face into Raylene's chest. Then the obligatory titty-fuck follows.

"Just really dive into those tits, Marcus," barks Powers. "GO!"

They bang it out on a chaise lounge in the burning sun, covering all of the known-to-modern-porno-man positions until Powers is satisfied he has the footage he needs. London pops on Raylene's face from a BJ and it's over. She wipes down and wades into the pool to cool off, then she poses with Powers for some pictures.

Raylene smiles at you. She's not proving anything because there truly is nothing to prove. No problem. Raylene is a real porn star. 🐾

THE DO'S AND DON'TS AT PORN SHOWS

It's said that you aren't really a man until your father dies. However in the brave new world of instant information and more importantly, instant gratification, the cutoff between man and boy is generally accepted to be 24—you know, when you're old enough to rent a car. So this goes out to the man-boys of the 18-to-24 demographic. You may not be old enough to demand an upgrade to a Lincoln Town Car from the crappy Kio Rio Budget's stuck you with, but you're old enough to smoke, drink, vote and kill and/or die for your country. Oh yeah, you're also old enough to start going to porn fan shows.

There's a whole explosion of these shows all over the place. It's like the circus coming to town, only with lots more silicone. Lots and lots and lots of more silicone... Whether it's some regional show, like the ones they're doing in New York and Chicago, to the ones that seem to happen like clockwork in L.A., to the mecca of all porn shows in the U.S., the AVN Adult Entertainment Expo in Vegas, I know you've thought about going.

I mean, you might be able to meet me! You'll also notice that these adult shows are not unlike Disneyland in that their more popular rides...er, performers have longer lines. The length of one's line at these shows is, in fact, a point of anxiety among many girls. But I digress. This column is specifically for you, first timer. See, these shows aren't petting zoos. Yes we dress sexy, yes we're there to have a good time but we're not there for you to grope.

• **NO, I WON'T SLEEP WITH YOU NO MATTER HOW GOOD YOU ARE AT DIRTY TALK.** Seriously, coming to one of these conventions and putting the moves on a girl to get her number works about as much as people winning the lottery. I'm not saying it's outside the realm of possibility, but it's pretty remote. Oh, and you are not as good at talking dirty as you think. In fact, just don't try it.

• **DO NOT LICK ME.** I don't know you and you don't know me. It's not like this is normal social behavior to begin with, so why would you even think of doing this? This does not cause spontaneous horniness in anyone, despite what you might think. As an aside, neither does sticking your tongue out between your fingers. Besides, do you seriously want to lick me not knowing who else might have licked me? There are lots of disgusting people in Vegas, after all...

• **I AM NOT A STRIPPER** (at this venue, anyway.) I guess some clarification is in order for this one. Yes, I do feature dance. Yes, many pornstars feature dance. But no, I won't take it off for you right then and there, nor will I shake it like a Polaroid picture. I don't even do that during my feature shows. It's not that I wouldn't strip in a convention, if the money were right and my appearance contract called for it, it's that stripping's one of those things that local governments get uptight about, like moonshine and M-80s. Don't blame me when I can't take my clothes off—blame the uptight city fathers of the town you're seeing me in. Yes, Vegas is included on this list.

• **ASK TO TAKE A PHOTO.** I know you've seen me naked and stuck more than a pincushion, but taking upskirt photos is not cool. Assuming I'll take photos with you by snuggling up to me—not cool either. Just ask for a photo like, you know, a normal human being. Besides, just rushing up next to us and taking a picture's a

great way to ensure you get a lousy angle and a weird look on my face. Not the sort of thing you want on Twitpic or Facebook, is it? Oh and feeling my ass up while we're taking that photo—also not cool.

• **IT'S COOL TO BRING STUFF AND TO ASK ME TO SIGN IT...WITHIN REASON.** Like I said, I like fans. Part of the reason I got into this business is for the adoration and attention of people I don't know. It's a personality flaw, I know, but one that's necessary if you're in this business of show (even the X-rated business of show.) I even don't mind if you bring a favorite movie of yours for me to sign. However, it gets out of control when you bring my entire filmography or a ream of photos for me to sign. What really gives it away, though? When you ask me to make all the autographs out to eBay.

• **YES. MY MOTHER KNOWS WHAT I DO FOR A LIVING.** And so does my boyfriend. There are some questions that are just too personal and, more than that, we just get asked too much. I'm proud of what I do in this industry and I've never hid it from anyone. If you know me enough to stand in line to get my autograph, you already know this. Asking me something you know the answer to, and that I know you know the answer to, isn't the best way to break the ice. More importantly, other girls in this business may not have the same relationship I have with my family and friends. Bringing it up just may open a cold can of awkward.

• **NO. I DON'T NEED TO BE SAVED BY YOUR PARTICULAR DEITY/SKY GOD/FLYING SPAGHETTI MONSTER.** And while we're talking about things that are sure to push the awkward button, let's talk about people trying to convert me. I'm all about people coming up and saying hi. I'm even open to gifts, hugs and hilarious stories. But I'm really not into you coming to save my soul, eternal or otherwise. I'm not anti-religious, but what I believe is what I believe (I'm all about the Great Old Ones, if you must know.) Coming up with a Bible and asking me if I've accepted your flavor of divinity is really a bad way to make an introduction. It's also bad for the environment. My hotel room already has a Bible. Even the ones in Vegas, for reasons I can't understand.

• **PORN SHOWS ARE LOUSY PLACES TO PITCH ME ABOUT BEING MALE TALENT.** The AVN Adult Entertainment Expo and fan shows are great places for women who want to break into the business to network. With guys, it's much harder and I'm not the person you want to talk to. Yes, gentlemen, it is unfair that it's so much easier for women to get attention at these shows, but we are talking about the straight porn industry. If you're a guy and you want to talk about breaking in you should ask to speak to the production manager, not me. Best of luck to you.

• **SHOWER AND SHAVE.** Soap is your friend. We're all at these things to have a good time. But remember that you'll be packed in a room with other hot, sweaty porn fans who are even sweatier from meeting porn stars. While I understand, especially if you've come to see me, take a shower before coming out. But keep in mind that dousing yourself in cologne is just as bad an idea as not showering.

• **DON'T GET DRUNK.** A corollary to "shower and shave," but getting drunk is as big a turn-off as dropping your trousers, squatting on my table and dropping a steam-

ing deuce. I'm not into that, and I'm pretty sure the other girls at the show wouldn't be too fond of your attempt at modern art, either. (Though there may be some performers from Germany who might be more appreciative.) Look, you're never as attractive as you think you are when you're drunk because, well, you're drunk. Maybe George Clooney could get away with it, but you can't. That being said, George Clooney can disregard this section of my Do's and Don'ts (just on the being drunk part though, not the public defecation part.).

• **I'M SURE YOU'RE A NICE GUY.** But let's not talk about, or guide my hand to grope your penis. You are a beast in the bedroom. I'm very sure of this, and hey, I'm glad you're confident enough with your manhood that you make jokes about your dick. But don't try to impress me about how big it is, or think that I want to touch it. Even if you think it's for professional reasons, like convincing me how much you want to get into the industry (which is a whole other column unto itself), it's not the way to get on my good side.

• **IT'S COOL TO BRING YOUR WIFE, IF SHE'S COOL WITH BEING THERE.** Married couples at conventions are funny things. Some of them are totally into being at the show together, while some men give the unmistakable vibe of wanting to take everything in, but their wife won't let them. Finally, there's the wife who's just trying too hard to be cool with the porno, but who's really insecure about it. These events should be fun for both of you. If you haven't had THE TALK about what kind of porno to watch together, going to a show full of porn stars might be a bit much. Some women have body issues, or just issues about their particular relationship, so it's best for you to keep that in mind. After all, you'd be a little intimidated if your wife wanted you to go to the Bodybuilders With Huge Cocks Who Are G-String Enthusiasts Convention with her.

So, have fun at these things. But just remember that we are people too. If you're cool to us we're cool to you. Also keep in mind that your response for not being cool varies from each girl, from a dirty look to a bitchslap to a very up close and personal introduction to her boyfriend/manager/bodyguard. I think most guys who come to fan shows or conventions and who wind up having a lousy time are the ones who come looking to get laid or who think they're going to find their future wife there. It could happen, but it's not likely. If it doesn't happen—which is what I would bet on—you'll just be let down and bitter. Just come to the show, enjoy it for what it is and enjoy the time you have to talk to your favorite star. You'll have a much better time doing that.

The guy I'm dating now is normal, regular guy. In fact, if you want to make a good impression on your favorite porn star, just be nice. It's as simple as that. I'll be more than happy to talk about the business. Let me know what your favorite scenes are. Tell me a joke that involves a priest and a rabbi.

In short: just be a decent person. Right now you're rolling your eyes and expecting me to tell you to clean your plate and that earthquake insurance is a good idea, but the best way to show how much you appreciate what we do is to greet us with a smile, a please, and a thank you. If you sat behind a desk wearing next to nothing you'd understand, trust me.

KATIE SUMMERS & DERRICK

PHOTOGRAPHY BY CHRIS KING

Katie Summers is quite a colorful gal from Texas who plays hard and fucks filthy. This long horny little lady loves it in the can, and lucky for her Derrick is a can-do dude determined to deliver. First he tongues down her tush hole in order to prep her rear for entry, then she hums his hammer to facilitate a better banging of her bodacious back door. Next Derrick starts a knockin', slowly at first, steadily building to a righteous rhythm that has Katie squealing and squirming and cussing like crazy. In the midst of all this pounding she cums, finger on her clit, eyes rolled back in her head and Derrick's dong buried balls-deep in her derriere. Now it's his turn to pop, so after a couple more pumps he pulls out just in time to frost the creamy curves of her cake with a generous portion of peckeroo paste. 🐱

DIRECTOR
JAY SIN

SLUTS
ADRIANNA NICOLE, AVA DEVINE

ARTICLE & PHOTOS BY JEFF HUBRIS

Jay Sin is a dangerous man, in so many porn ways. He is the understated type and very personable, especially when dealing with sexual, or—let's face it—ANAL matters. In Jay Sin World, the table is set with all erotic possibilities but the main course will always be of the anal variety, with all other offerings shoved aside. The rubber will always meet the road in a very serious manner once the perversions get rolling, as they always do in a Jay Sin porn adventure. He is dedicated to cavernous explorations that stretch anal possibilities, creating new pathways. Jay Sin goes where no man has gone before.

I can tell you from experience that Jay procures girls for his movies that he sees something special in, whether you do or not. If you can't understand the point of his casting choices at first, you might eventually because there is unseen alchemy afoot that is invisible to a normal person. Participation in a Jay Sin production will always require some heavy lifting and all players need to be up to the task. To this end, he spends a good part of the year scouring Russia for new girls with crazy pliable assholes who will do outlandish things. The Czech Republic and Budapest are so yesterday. They're easier to navigate, but Russia is a more arduous, sketchy deal and you have to know how to play the game. Jay Sin can do it because he embodies the spirit of an explorer, in every sense.

The girls on hand today are absolute, certifiable, road-tested anal dynamite. "This is *Deep Anal Abyss 3*," Jay Sin says calmly, "We have Adrianna Nicole, Ava Devine and Prince Yahshua. We're going to see how much we can shove in Ava's ass. That should be fun. We're going to turn her ass into a toy box."

Both women are well known for their anal circus performances and there is no question regarding their abilities in this area. All that's left is figuring out where, and how far to go with this whole thing. Jay has laid out a colorful selection of rubber probing instruments on a glass table. Both women are in skin tight, black and white print get-ups that match the completely white room and zebra rug. The decorative concept particulars have been obviously considered well in advance. The color of human skin and mucous membranes will project vividly against the black and white backdrop, as will the bright hues of the toys.

AVA DEVINE: I've been in the business since '03 but I've taken some time off. I'm back for a little bit until I enroll in school in August and I'll stop again in September. I'm going to school for Psychology so I can fuck you mentally and physically. I was sort of a radical girl before I started in porn but I feel the business has heightened my openness and my sexual awareness because the directors are so sexually creative they can push your boundaries and it's in a safe environment. In 2005 I had to take a break because this plastic surgeon did a surgery on me and he messed up so I needed to take a year off for that. Then I got married in 2008 and took two years off and came back in January of 2010. I love sucking and fucking random people. That really gets me off. I like to do it in sex clubs. I like to do it off the streets. I just like the whole "you don't know me so let me figure out in three minutes how to get you off." It's the whole impulsivity. The weirder the better gets me off. I like guys sucking each other off with trannies involved. Me butt fucking trannies. Sucking random dicks. I have this eighty-four year old friend and we'll go out and suck dick together at sex clubs. We love it. We swallow every load and we'll suck off about twelve to fifteen cocks. We don't know any of these people, we don't know any of their names, we don't know where they are from. They're crossdressers, they're trannies, they are bi-guys, there are gay guys, and there are straight guys. We just do it all. I really love that. It's very fulfilling.

Adrianna leaves for the bathroom. "Who's the domineering one, Adrianna?" Ava asks. "Yeah, is that cool?" Jay answers quietly. "Yeah, that's great!" she says, "She's domineering but yet can be very submissive." The girls have worked together once before in a scene for Devine's website. Adrianna tells a story of shouting "FUCK YEAH!" to herself when Jay Sin called to ask her if they might be a match for a scene. "Ava is like a mythical creature or something," she says. "She's just so dirty. There are tons of girls who'll do dirty stuff on camera but she's the real deal. She's so horny on camera or off-camera. Ava can't be satisfied and is always game for more and will make it more and more intense."

Jay has Ava get on all fours while he and Adrianna stick a cargo of pliable rubber dildos up her ass for a preliminary probing session. Later Prince Yahshua will be called in for the finale. "We're going to see how much junk we can stick in her trunk since she's such a filthy whore," he says to Adrianna. "Do a little tease for the camera, like maybe lick her nipples and then go down on the ground like this and you control her. Then you can do a big spit right in her mouth and you can say, 'We're just going to stick everything we can find up your ass!' and you'll be looking at her, kiss her mouth, you know?"

AVA: I love being penetrated. I like big things up my ass with a vibrator on my clit that will just go to town. I just blow up and cum so hard. I like things like that. I LOVE double anal. It's amazing that I can have two men inside me one hole at the same time and they are stretching out my asshole. My asshole is getting stretched out by two penises. I love cock, so there is an art to it. If you're going to fuck my ass you're going to have to stick something in my pussy because they will get jealous of one another. I love DP's because I'm stuck in the middle and I have two men, one in front of me, one behind me and I'm kissing one and I turn over and there is another one behind me. I just love it, I love being in the middle of men being bombarded by two penises and more.

There's enough room in Devine's trunk for a large clump of toys and Jay rolls video, making sure that he gets coverage of Ava standing up and clamping down with her ass muscles so as not to lose any of the payload. No opportunity to display amazing anal circus tricks will be overlooked. The anal gape is a major holy grail of pornoland's butt centric fetishistic area. Not to be outdone, Ava is successful at trumping this comparably pedestrian carnival trick by forcing a portion of lower intestine outside of her buttock for inspection. Officially called a "prolapse," this act carries great gravitas among those, and there are many, who romanticize this sort of thing. Jay Sin is very pleased to say the least and tells Adrianna to gently probe the mass with one of the toys while rolling a lengthy segment of video.

"How was it?" Ava asks when it's all over. "Good," Jay Sin answers distractedly, "Very, very good." "I'm surprised that we got that whole black thing in there," she says. Jay takes her into an adjoining room for a private discussion. Things have been going incredibly well. Jay Sin is just too blown away by the proceedings so far. This portion of the shoot is over because there is nowhere else to go, for now.

Jay eventually reappears with Ava in tow and he calls Prince Yahshua in from another room. They start rolling on the BJ and over the course of the bangout Yahshua plows through the pussies and buttocks of both girls. Jay Sin interrupts a few times for some direction and position changes but otherwise shoots straight through until Yahshua pops on both faces from oral.

ADRIANNA NICOLE: Directors always want more of everything. They'll just take whatever they can get and they'll just keep taking it. Jay Sin is definitely that type but it's so creative looking and it's just such a different experience that you just kind of want to make the whole vision happen. I still definitely prefer anal. I really don't get the chance to have that much anal sex, or as much as I'd like to. I had some a couple weeks ago and it had probably been two months before that I had really been fucked in the ass. A toy doesn't really count in having anal sex or whatever. With getting fucked in the pussy the mood is different and the pace is different. I don't dislike it but it's still not my favorite thing. I can come easier from anal for sure. A lot of times when I'm getting fucked in the ass I'll use my hands to play with my pussy. In the ass it's way more intense and I don't have to worry about scratching the guy's dick or something because it's farther away. I can worry less about scratching him or there being a conflict in those areas I guess.

As things wind down, Adrianna needs to cool out before leaving. "I'm not even street legal to be on the road right now," she says. "I can't get on the road right after I fuck because I'm a little shaky. Always if I have a really good scene that's kind of intense it takes me a minute. I feel a little loopy." She lays back on a couch to rest before driving.

Was this porno? Yes, I think it was. Porno that is shockingly raw and highly stylized like a dirty model shoot gone horrifically off the rails. There was extreme sexual performance that was both pretentious and frighteningly realistic within a color coordinated, decorative backdrop. Jay Sin is quiet like a polite savant who would rather not discuss the specifics of his addiction, but will if you ask. This is not a lifestyle, or even a job for Jay Sin. He lives for the adventure of realizing ever greater levels of anal/sexual glorification and committing them to video. It's an obsession. 🐈

JAMEY JANES

CHRONICLES OF A GOOD GIRL LIVING BAD

Growing up I always loved books. For me books were like an adventure into endless worlds. With every word that my eyes drank in I was cast further into the magic. Even to this day I hate watching movies that are based directly on a book, especially if I have read it. My imagination is so vivid that when I have read a book the movie just seems like an anticlimax of the dream I have already journeyed through. LOL, yes I am that girl who is sitting there saying, "No! thats not how it happened, thats not how they are supposed to look!" I suppose for many this is true also with fantasies. No matter how hard you try to recreate a fantasy in real life it is just never the same. I'm Jamey James and this is my life: **CHRONICLES OF A GOOD GIRL LIVING BAD**

I used to go to the libraries and just walk up and down the aisles with a feeling of wonderment. It was amazing to me to think that in all these books was so much thought and knowledge. So many minds ticking, tocking, and wheels turning. Of course the boundless depths of a person's mind can never really be penetrated. But here in all these books, where passion is stamped out onto the pages, was an ink mark that solidified the authors' existence and their permanent record of thought. It was

from these countless trips to libraries that my first fantasy took life.

This is my fantasy.

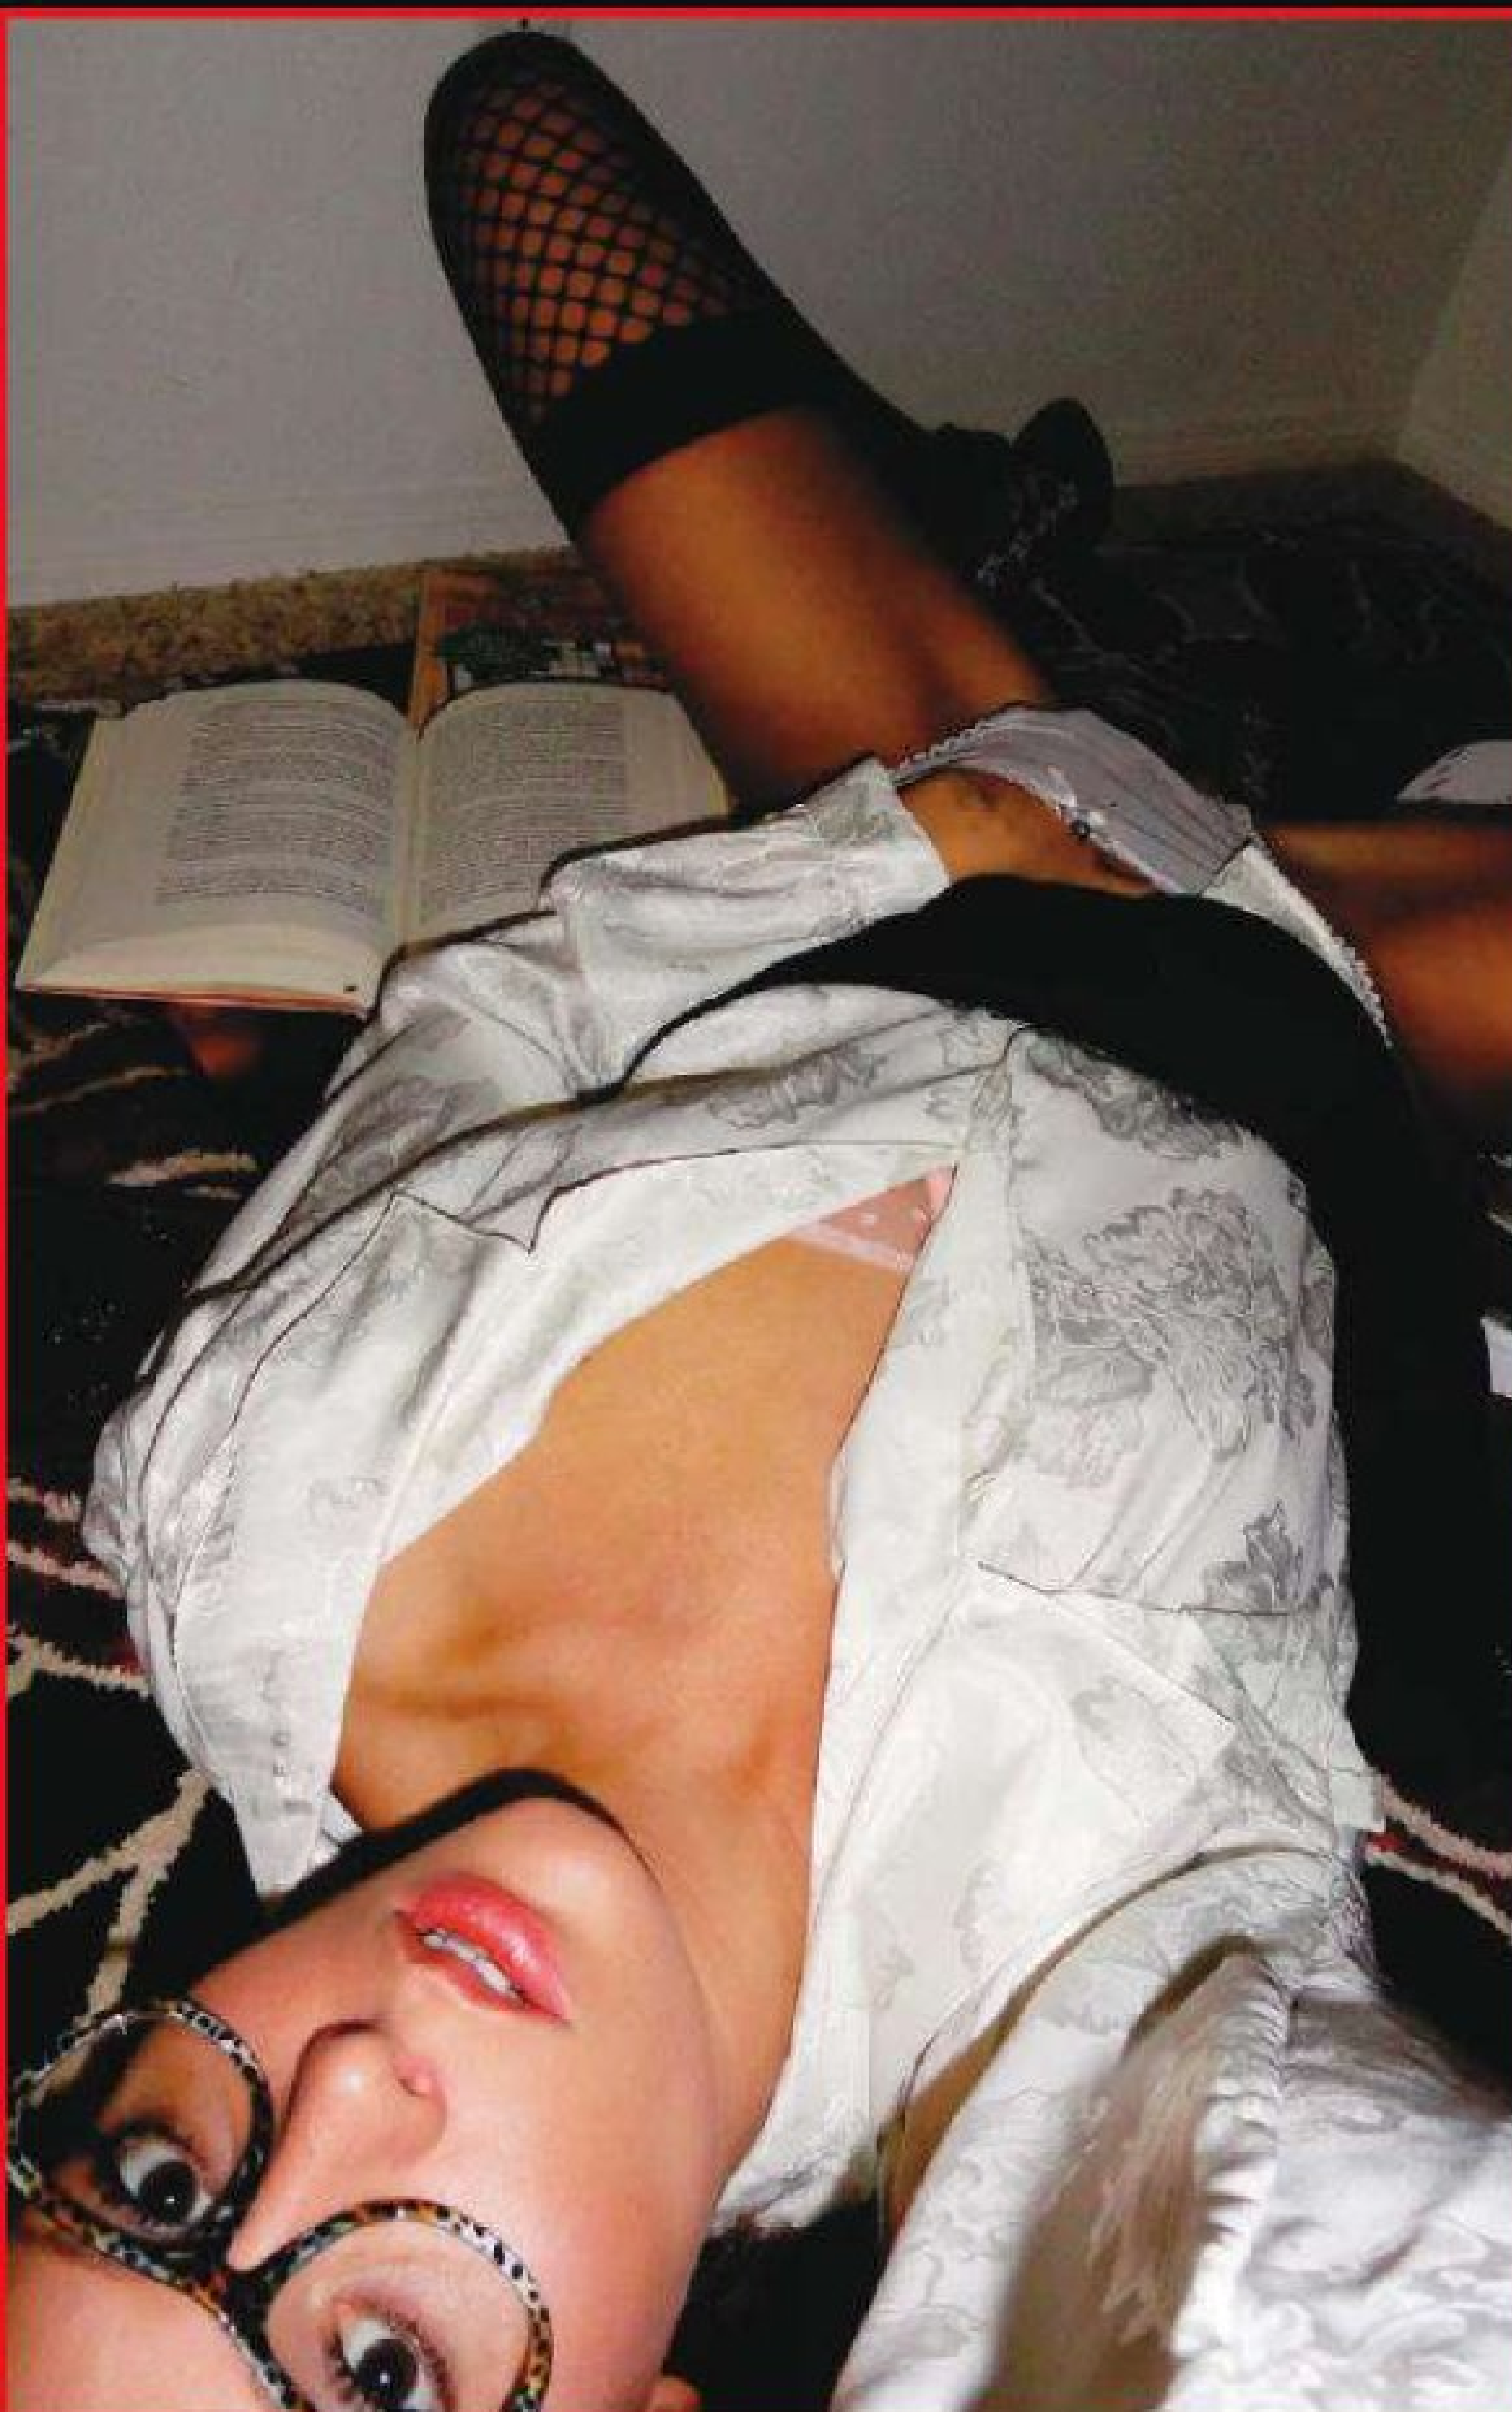

I am all alone in the library. Gliding up and down the aisles as though the infinite knowledge in these books is levitating me off into another world. With every row of books that I pass over, touching each cover softly, my senses are aroused with an invigorating calm. My palms, which are moist from anticipation, yearn to caress and devour each book in their grasp. I am calm but the pulse of my heart is gradually

picking up beats. I reach randomly at the books, not overly concerned with their titles. I turn their pages with a slow cautiousness, as though a forbidden treasure chest has been opened.

My fingers leaf through abundant pages of different textures. I lift the book to my nose and at first just sniff at the pages. Thinking how many people must have touched these books and beheld their glory. Eagerly I can not contain myself and I breathe in the smell of the books so emphatically as though I have just been

suffocated and am gasping for air. Up and down the aisles I continue my leisurely stride. Here and there I continue to pull books from their nestled crevices. With each aisle, which is merely just a resting place for all these bounded pages that serve as portals to fathomless depths, my anticipation flourishes beyond my control. I am alone. I feel the sudden power of having this place all to myself.

A ferocious wave of yearning fills me and start to bring a warmth to my pussy. My skin tinges pink

as a rush of heat engulfs me. My mind is fully intoxicated with unbounded hunger. Lost is any regard or formality as to where I am. In a madness I start sweeping through the aisles of books sling shooting them with my arm off the shelves. Books are flying and what was two seconds prior a very tranquil haven has now become a growing disarray of noise and clutter. I rip my clothes off without conscious thought of doing so. I have become like a ravenous madman exasperated by longing I have held at bay for too

long. Books are strewn haphazardly and spread open everywhere, their delicate pages exposed and vulnerable without their bindings to shield and protect them.

I vehemently immerse my body into the mass of books. The slight coolness of each brings a shiver to my skin. Little goose bumps raise up across my spine and over my body. A few of the book's pages have given my heated skin small paper cuts. The slight tingle of pain shoots an erotic charge of pleasure to my pussy. My body gyrates back and forth

in the orgy of books. My lungs are breathing the array of smells from the books. Some scents declaring maturity, others youth, and others are masquerading in deception. I commence to rip the pages from their bindings, rubbing them over my body. Inhaling the air, feeling the assortment of sizes and varying hardness of the volumes. Some are digging awkwardly into my flesh, others with their suppleness are conforming to my curves.

My fingers forcefully run themselves up my

flexed calves, and across the sides of my thighs. The heat of my body leaving the path of my fingers tinged red. Here and there my nails scrape into my skin with mindless pleasure. I grasp at my chest, squeezing my breasts with intensity. My nipples are incredibly erect and pink.

Massaging my body I lustfully shove a finger into the river of wetness that has begun to flow from my pussy. My eyes roll back as I slip another finger into the inviting warmth that is so smooth and tight. Masturbating

with one hand, with the other hand grabbing erratically at my body and at the innumerable ravaged pages, my body continues to grind against the hard book covers and my moans grow in ecstasy. My breath is so heavy it is creating a momentary layer of mist on the books. In and out my fingers are fucking my little pussy. My body is almost completely drenched in sweat. My hair also has become so moist and unruly that it is knotted into a peak. Tiny gatherings of strawberry blonde hair plaster

themselves into the sweat streaked across my face. I am no longer aware of the reality that had held these books.

I am lost in a world that only a few moments of reality can penetrate. Even though my eyes are shut a fluttering motion is visible against my eyelids. Pangs of pleasure are shooting through every cell of my body, my toes point and curl in spasms. I feel myself being hurled against the summit of complete ecstasy. The threshold that I cannot contain myself from. My whole body spasms

against the books. I have no control now, my adrenaline is driving me forward and it feels so fucking good. Suddenly my head whips back as I scream out in pleasure. I cum so hard that my pussy thrusts out of its warmth. My pussy lips are swollen from the blood flow. Sweet cum runs from my pussy down the crack of my ass and all over the books.

I lay there panting, utterly exhausted. My eyes open for a second, wandering around at the mayhem that is around me. My body limp is

now but still quivers. My breathing is shallow and fast, as if I were hyperventilating, though I am giving my last trickle of energy toward an effort of calming down. My eyes close and I fall asleep, satisfied and delirious. 🐱

AVA ADDAMS

Photography by Steven Andres

StoreMags.com - Free Magazines Download in True PDF format

Release: StoreMags & FantaMag

StoreMags.com - Free Magazines Download In True PDF format

Ava is a spicy mix of French and Italian with a li'l splash of Spanish stirred in. She grew up in Houston, and has a set of unenhanced, Texas-sized ta-ta's to show for it. She's one of those babes who always manages to look soft, sultry and freshly-fucked, whether her clothes are on, off or somewhere in between. Maybe it's her dark mane of mussed hair that makes her seem so hedonistic, or perhaps it's her heavy-lidded, lovely eyes gazing out from beneath thick, long lashes. Or it could be her entire body that's silently calling out to be banged, it's pornographic perfection projecting a yearning to have the supple swell of its every curve kissed, cuddled and caressed. Whatever it is, there's no denying that Ava is sizzling hot. For whichever woodsman lucky enough to stick his stump in her bush, life is indeed a bed of roses. 🐾
